

Rogue Everlasting

A New Threat Taunts Savannahs Vampire Dynasty After two hundred years of womanizing ways, powerful eternal and shameless badboy Reece Clairmont is definitely the rogue of the realm. Now with shipments going missing from the family empire and a crop of mysterious newborns making its presence known, his focus has to be on business if only Sidney didn't bring to mind pure pleasure. As an Everlasting Passion Ignites. Dark, graceful and blessed with the rare IQ of a genius, Dr. Sidney Campbell's interests couldn't be further from those of impossibly sexy Reece. He's all lust; she's all logic. United by the need to protect their loved ones, Sidney might have to expand her theories on biology and chemistry but can she tame a rogue and his scandalous ways without getting her heart broken?
