

Romance: Maries Man - A Billionaire Romance Series (Romance, Contemporary Romance, Billionaire Romance, Unlikely Love Book 1)

Unlikely Love Book One: A Billionaire Romance Series! After finding out her fiancé is an infamous con artist with an arrest record longer than she cares to acknowledge, unlucky at love Marie decides to forget about happily-ever-after for a moment and take a much needed, relaxing vacation to an exclusive resort in small town Texas. Her plan is quickly ruined when she realizes the resort is more of a hippie co-op and the manager is a cowboy a bit too sexy to resist. As fate would have it, Marie finds herself again throwing caution to the wind, but she hopes that this time it pays off. But as pieces of the manager's past are revealed, Marie starts to wonder: Is she truly following her heart? And if so, is her heart leading her to make another huge mistake when it comes to who she trusts and loves?
