

Not a Dragons Standard Virgin (Siren Publishing Classic)

[Siren Classic: Erotic Historical Fantasy Romance, shape-shifters, HEA] Sacrificial virgins are so sixteenth century, but unless Isabelle finds a man to take her innocence, she'll likely be next. For Isabelle Andersen, being a virgin in a dragon-plagued Scottish village is dangerous. Potentially the next dragon sacrifice, Isabelle's only solution is to lose her innocence, and fast. All she needs is one handsome stranger she can coax into bed, but Lochmore Cott doesn't get much in the way of visitors. Jonarrion Swiftwind has sworn off virgins. The last time he took one to his bed, his family paid the price for his lust at the hands of her demon-possessed father. He's made it his mission to destroy all demons. Nothing distracts him from killing this demon until lovely Isabelle offers him tea. And her virginity. Just one night of passion makes Jon realize he doesn't want to let the independent beauty go. But will Isabelle accept him when she discovers the only real dragon in her village...is him? ** A Siren Erotic Romance
