

## Weeping Angel (Romancing Angels Book 3)

Nathan Angel has been mourning his wife for three years. During that time he has upheld his responsibilities and honored his wife's memory by raising their children. However, that honor has come with a price that tears at Nathan's soul. He is a good man, made that way through tragedy. In a similar fashion, Jessica Kearns has suffered heartbreak of her own. When these two meet, it will take the help of loved ones to guide them towards a mutual healing. And as they begin to heal, they will reveal their souls, and slowly the weeping will end.
