****Part 6 of 6**** Biology student Emma Robbins wakes up in a warm bed to the scent of bacon and coffee. How did she get here? The last thing she remembers was being chased down by a pack of wolves. But Kaleb is hiding a secret that he is forced to reveal to Emma when Kaleb's brother tries to take Emma away. Now Emma is forced to make some decisions about the rest of her life that she isn't sure she's ready to make and that could determine if Kaleb's brother lives or dies. Which life will she choose?
