

Romancing the Dustmans Daughter

Augustus Sinclair has a broken heart. His betrothed has dropped him for his best friend. Former best friend. When he meets Anne Balfour, though, he questions whether he'd ever really been in love with his fiancée. Some of Anne's reactions to what he considers everyday activities are puzzling, but that doesn't stop him from falling head over heels for the first time in his life. Anne Balfour is amazed to be a guest at the Shrewsburys, one of Mayfair's most well-to-do families even if the circumstances are less than ideal. Still, she can't help but get caught up in the excitement of society life. Especially when in the company of Augustus Sinclair. He makes her believe in love and romance, even if she is just the dustman's daughter.
