

## Romantically Challenged

When L.A. entertainment lawyer Julie Burns becomes convinced that finding The One is just a numbers game, she sets out to increase her numbers by any means necessary. From chance meetings and blind dates to dating services and the wonderful world of the internet, Julie will try anything to meet her man. And in the process, she discovers a secret or two about the single life: Sometimes love sneaks up on you when you least expect it--and even the worst first impressions can have surprising results.
