

Gideon & Gage, Book One

I didnt kill my best friend, yet Im running for my life because they think I did. Holly McAllister started life as a simple farm girl from Texas. But when her father died, she was moved to New York to live a life of luxury with her mother, stepfather, and twin stepbrothers, Gideon and Gage. Never getting along with the twins, Holly avoided them for most of her life, choosing instead to spend as much time as possible in Texas - several states away. Now an adult, Holly lives her life in the shadow of her stepbrothers. She is a no-nonsense, home town girl, and they became celebrity bounty hunters. When Hollys best friend is killed, Holly is blamed for the murder. Now on the run, she knows that her stepbrothers, Gideon and Gage, are tracking her, intent to bring her back to New York to force her to face her crime. A story of bitter feelings turned to undeniable lust, Holly learns what its like to be hunted by the hottest bounty hunters in the world. Will they capture her, or will she capture their hearts? This is Book One of a three book series.
