

My Rockstar Billionaire 3 (Billionaire Romance 3): Billionaire Romance 3

After smoldering hot trysts with mysterious, passionate Ricky and then learning his huge secret, curvy Belle enters his world of superstardom. First with an incredible concert and VIP backstage privileges, then in his stretch limo, and his sprawling Manhattan penthouse suite. But being with a hot international superstar isn't so easy, as Belle soon learns. Worlds apart, she wonders if it could ever work out. Can they look past their many differences? Could it be that it's meant to be? Not if her cheating ex-boyfriend or Ricky's sketchy manager continue to interfere. Unplanned surprises shock both of them, making things even harder to handle. But it turns out that Ricky has more plans for her though, both devious and beautiful, beyond her wildest dreams. Enjoy this novella as a standalone story, or also read it with the first two stories in the series, the New York Times bestseller, My Rockstar Billionaire and My Rockstar Billionaire 2.
