

## Only the Lonely

Destiny is on the line for Summer Solstice, the sultry and acerbic hostess of the popular late night talk-radio show Only the Lonely when a call comes through from a centuries-old vampire with a dark and tragic past. Before the night is over, Summer will be drawn into the secretive world of the vampire who has the face of an angel, the needs of a man and a thirst for human blood. Forbidden desire turns to love, but love turns to suspicion when Summers fans begin to turn up floating in the murky waters of the Mississippi. Will these two beings from different worlds be each others salvation or their undoing?
