

Royal Airs (An Elemental Blessings Novel Book 2)

Master storyteller Sharon Shinn created the thrilling and enchanting world of Welce in her acclaimed novel *Troubled Waters*. Return with her to that elemental universe in this tale of secrecy, romance, and a battle for power. Josetta is a princess of one of the Five Families. But she is far from the throne, so she is free to spend her days working in the poorest sections of the city. Rafe Adova lives the life of a career gambler in those slums. He has no real ambition until the night he helps a girl named Corene, who looks like she's stumbled into the wrong bar. Josetta is fascinated by the man who has helped her sister. Rafe is unlike anyone she's encountered—someone seemingly devoid of elemental blessings. Rafe is also drawn to Josetta, but when he is assaulted by foreign mercenaries and they discover the reason behind the attack, Rafe and Josetta realize that the truth could endanger not only their newfound love, but also their very lives.
