Come visit Valleria this holiday season! The season for stolen kisses and royal wishes is here. Catch up with the Vallerian royal family as they celebrate the holidays together and apart. The day of the Holiday Ball and her engagement party has finally dawned for current commoner and future princess Rebecca, who has been swept up in a whirlwind of royal pomp and circumstance ever since she fell in love with Alexander, her fiancé and heir to the throne. Alex is ready to spend the holiday wrapped in his love's arms. When a royal scandal breaks just days before the ball, sending his reputation into a tailspin, will they recover in time to navigate through a Holiday Ball and their first Christmas together? English Lady Grace's troubled past still haunts her. After years of difficult holidays, she's ready to make some new memories with her prince, Marcello. But can she give him the one thing he wants most? Marcello knows the holidays are difficult for Grace. Will he be able to help her through these difficult days, or will managing the royal scandal keep him from the one person he loves most? Charlotte, head baker for the Vallerian Royal Palace, has been working at a frantic pace leading up to the holidays due to the Royal Holiday Ball, multiple parties, dinners, and events in the works all while recovering from a gunshot wound. She's barely had any time to spend with her own prince, Nate, much less think about what she should get him for the holidays. What do you get a prince your first holiday together? Nate is so proud of his lady love, but needs some time alone with her, away from the palace and their work. When Nate decides to spirit Charlie away, will his surprise rise to the occasion, or fall flat as a bad cake? Pregnant Princess Arianna has made a home in the small country of Brazenbourg with its prince, Finn, but her first holiday away from Valleria proves to be harder than expected. Finn would do anything for

his princess, including pulling off the impossible. Can he make a miracle happen and grant Arianna her most fervent Christmas wish?
