

Double Bear: BBW Paranormal Menage Shape Shifter Romance (Bear Mountain Book 3)

Samantha Hastings co-owns the tiny movie theater in Bear Mountain with her father. She's lived in the small town her entire life and doesn't want to leave, but she longs for a man to call her own and accept her, curves included. When she meets Cade and Collin, and feels the same desperate longing for both men, she vows to stay away from the gorgeous twins. Cade and Collin Garrison sold their club in Florida and moved back to their childhood home when they found out their longtime friend would soon become a father. After years of searching for the perfect woman to share for eternity, they meet her on their second night in town. Their curvy mate is determined to keep her distance, but the identical duo has other ideas. Sam eventually gives in to the sexy pair and decides to enjoy two men while she can, but when her ex-boyfriend shows up, the reality of their situation comes crashing down. Can two gorgeous bear shifters really love a curvy small-town girl? Sam's about to find out that loving two men might seem wrong, but her mates will never let her go.
