

## Ruin Me Vol. 3 (Secret Seduction)

The third part of Ruin Me: Secret Seduction, a five part series by CJ Thomas.

Kim Vogel feels like Cinderella going to the ball. Her first date with Jackson Morgan, that isnt a setup with ulterior motives. He wines and dines her in ways she didnt know money could buy, but remains completely immune to his net worth. She wants him, not what he can buy her. As their dreamy weekend comes to a close, Kim knows reality will soon come crashing down. All of this seems too good to be true. When Jackson could have any woman he desired, why is he going after Kim? Because he likes the challenge, among other things. But hes never had to chase a girl before. Theyve all covered at the altar of money, something Kim wont do. So when she starts retreating, he knows somethings wrong. He just doesnt know how to fix it because its not something money can buy. And Kims biggest fear about Jackson is starting to unfold itself: that hes keeping secrets from her that would change her perception of him. For the worse. == > Please note that this story ends on a cliffhanger and parts 2-5 will be released two weeks apart.
