

Running Home to You (The Running Series Book 2)

Juliette Fletcher thought she had it all a strikingly handsome man who adores her, a new business venture with her best friends by her side, and a dream house right on the beach. But appearances can be deceiving and everything comes at a cost. Evan McGuire has just survived a vicious attack that almost ended his professional football career. Hes on the mends now, trying to piece his life back together again, and build a life with Juliette. But Evans erratic behavior has Juliette worried. She must figure out how to save her struggling restaurant, her fragile friendships, and her now unhealthy relationship with the man she loves. Juliette and Evan find that theyve placed their trust in the wrong people and the price they pay for that mistake may ultimately cost them everything. Running Home to You is the second book in the Running Series

Reviews: This book will send you onto an emotional roller coaster. I laughed...I cried..I got lil heart twinges throughout this book and was left begging for more! ~Sassy Beta Reading & Review If I say that I just love this series, I would lie. We have humor, a lot of steaminess, beautiful romance, kick-ass plot in both books, dramatic angst and twists and turns that had me glued to the pages and captivated more and more as the reading progressed. Both books struck all the right notes and delivered a sensual, delicious and rich story. ~Jovana, Ruffled Sheets Blog This book has it all, passion, heartache, drama, and above all...Love. I can say that with a cliffhanger like this one, I just may hold my breath until the third book is released! ~Rene, Renes Getaway Book Blog
