

Alphas Rise: Immortal Brotherhood (Edge Book 1)

Death came first... When Reveca first crossed King she knew her heart was stolen. She'd never get over the likes of him. Not a warrior who understood the power within her and flamed it into life--a man who could read her soul with one gaze. She was right. He was ripped from her side, and she was imprisoned. The world around her died. In a new life, in a new world, the pain was still as rich as the day it first tore her in two. The dead call her the Queen of Darkness. To the living she's the Pentacle Daughter, the only female member of the Pentacle Sons MC. Both were well aware that she was a witch better left uncrossed. The balance between the wars her and the Sons fought with both the mortals and immortals fueled the adrenaline they all craved--needed, but it never tested them...that is until King returned days after the Club was shaken to its core by a sickening betrayal. As the past and present collide, the stakes have never been higher for Reveca, or the Sons.
