

Safe Passage (Mills & Boon Vintage Intrigue) (Silhouette Intimate Moments)

Wounded government agent Scott Armstrong hated his newest assignment baby-sitting beautiful scientist Dr. Skye Van Rijn. He missed the excitement of working in the field, his only salvation from the tragedy that haunted his dreams. But the mission turned dangerous when he discovered an evil terrorist was also after the mysterious doctor. Skye was a genius at developing biological antidotes to new diseases. Her tender touch and warm body soon began to heal Scott's battered heart, but the deadly secrets she hid put them both at risk, forcing them to run for their lives. As their enemy closed in, Scott had to choose between his loyalties to his job and his passion for the woman who saved his soul.
