

Sandellas Soldier

Major Braylon Wexler, a leading Criminal Investigator for the military, has returned to his grandparents house to dutifully serve as a soldier on the islands military base. Hilton Head Island, South Carolina is a home of peace and harmony for Major Wexler. But the calm is shattered by the tantalizing stormy presence of Sandella Summers. She is an unexpected surprise that stirs a hot longing in him. Sandella Summers is perfectly happy with baking her pies, her life is simple and pleasing, just the way she likes it. But her contentment is interrupted by the appearance of Braylon Wexler, a seductive and arrogant soldier, not her typical choice in a man. Sandella holds a secret to her heart, slowing Braylon down in his quest to win her over. But Braylon excites Sandella in ways she never thought possible. Braylon is a man of honor and hes determined to not only to win her heart, but bring her family to closure of a deeply rooted conflict. As danger and menace ensue the two lovers, can they make peace with the past and truly let love heal? Will Braylon risk his heart and his life to get everything he wants?
