

Always at First (Not at First Series Book 2)

Angel Mabbot is the perfect daughter. Perfection has always been an expectation set forth by her adoring father and her overbearing, neglectful mother. Knowing she can never live up to their standards, Angel falls into a life of partying, drinking and pills in an effort to dull the pain of her insecurities and perceived failures. Kevin Hawken, a former business partner of Angels father, has always loved Angel, although she has no idea who he is. Angels substance induced state of mind forces her to question what is real. And Kevin is too good to be real. Caught in the clutches of Roman Conti, a notorious and dangerous Mob boss from Italy, Angel slips under Romans control. A control she cant escape. And the only man who can rescue her... Is a man she believes existed only in her dreams.
