

Becoming a Legend (Kavanagh Legends)

From the author of *Saving a Legend* (A deep and moving story about family, acceptance, and love. Katy Evans) comes another smoldering MMA romance featuring the Kavanagh brothers, the chiseled alpha males whose real legacy is love. Kane Kavanagh has always had one goal: being the best mixed martial arts fighter alive. With the MMA National Championships in Las Vegas fast approaching, the man they call Killer has no intention of letting anyone or anything get in his way. Somehow, though, a feisty opponent has slipped beneath his guard and stolen his heart. Fiery and passionate, Nora Hannigan is harder to pin down than any rival Kane has faced in the ring. And she isn't afraid to tell Kane that she wants nothing to do with him. With her best friend about to marry into the Kavanagh family, Nora has been resisting Kane's shameless attempts at flirting for months. But after their undeniable chemistry finally takes over, leading to the hottest night of Nora's life, she's running scared. There's a lot about her life Kane doesn't know, and she won't be responsible for ending his career. Now Kane's out to prove that he's ready for a commitment by winning her heart and he's never lost a fight. Praise for the Kavanagh Legends series I loved this book. The romance gave me butterflies, the intimacy between the characters made me blush, and the drama made me hungry for more. Jamie Otis, reality television star, *FYI's Married at First Sight* and *ABC's The Bachelor*, on *Breaking a Legend* Equal parts sexy, intense, and emotional, *Breaking a Legend* will suck you in from the very first page and refuse to let go until long after you've finished. It's one of my favorite MMA books to date. #1 New York Times bestselling author Rachel Van Dyken Equal parts raw and romantic, *Breaking a Legend* has it all: a hot, damaged hero, a wonderfully real heroine, and the perfect blend of romance and
