

## Saving Poughkeepsie (The Poughkeepsie Brotherhood Series)

Beckett Taylor's quest to be a better man has brought Eve Hartt back into his life, but sometimes it feels like they're bound together with barbed wire. Though he longs to love her without causing her pain, the wreckage of their past continues to crash down around them. Yet with the help of this brother and for his brothers, Beckett won't stop trying. He's determined to make them all a family, to make a life they want to live, and to make Poughkeepsie a place that's safe to live that life. He can feel their futures balanced precariously on his shoulders: Blake and Livia and their children, Cole and Kyle and the new baby they've just brought home, and Eve always Eve. He wants their dreams to be real. But murderers don't just get Happily Ever After handed to them. They have to wrench it away from Satan himself. Good thing Beckett is prepared to do just that. After all, saving Poughkeepsie is the only way his story ends. Prepare your heart and your head for a wild ride in this final installment of the Poughkeepsie Brotherhood series. Debra Anastasia does not disappoint as she weaves the last chapter of a story that blends true love, turbulent emotions, and life's harsh realities into an uplifting tale that calls to the good in each of us.
