

Scenting Scandal (Scandalous Siblings) (Volume 2)

Lady Laura Jamison uses her extraordinary olfactory senses to sniff out her perfect match, a husband who fits all her scientific criteria. But after she evades an assassin's bullets, twice, she is forced to accept the protection of a family friend, and her nemesis, the Earl of Winchester. Richard rejects marriage to someone as beautiful and intelligent as Laura, fearing his shameful childhood secret will be revealed. The mismatched pair race around London in a desperate attempt to stop a madwoman before she rebuilds her illegal share trading syndicate. Laura and Richard accept each other's strengths and weaknesses, but will they also discover a passion neither counted on?
