

## Scorched

Lucy's ordinary life is about to be turned upside down. As she rents the home of the striking man she flirted with over the phone, she's introduced to a world of extraordinary pleasure, yet the secrets this new man is harboring might cause more harm than good. But as their relationship takes off, Peter begins to pull away - just when she thinks she has it all figured out, Lucy begins to realize she knows nothing about the man she shares a home with. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
