Despite her initial doubts, William earned her trust and Amanda put her faith in him completely. She knew he had secrets, but nothing could have prepared her for the shocking conversation she overheard which destroyed everything she had taken for granted. Amanda wants to understand what is going on, but more than anything she wants to believe her trust in William was not misplaced. Every answer throws up more questions until Amandas life is turned upside down once more. This time there may be no way back. Note: This part of the story ends with a cliffhanger. The final part will be released in a few weeks.
