

Chronic (Se7en Deadly SEALs) (Volume 2)

Se7en Deadly Navy SEALs--our loyalty to each other knows no bounds six months since a night of partying ended tragically five years I've known my best friend, Joaquin, now wasting away in jail four days since this stripper named Ksenya entered my life three ways Ksenya reminds me of my ex Mia two years since Mia left me during my darkest hour one naked bombshell asleep in my bed trying to trick me zero doubt in my mind that I'll smoke out the truth she wants to get wild? I will fulfill her every fantasy. I control the game now, not her. It will end when I say it ends. I'm a Navy SEAL, and I will be the last one standing.
