

Cutting Loose (Steele Street)

Shes the unsuspecting beauty with something everybody wants. Hes the secret agent in so deep nobody can find him. Until now...CIA operative Zachary Prade made his name taking out world threats. But now hes tracking a very different kind of danger and her name is Lily Robbins. Lily holds the key to a valuable encoded file thats about to fall into the wrong hands. All Zach has to do is retrieve the key and forget the rain-soaked beauty who came to his Central American plantation seeking shelter from more than the weather. Lily knows him as Alejandro Campos, the seductive drug lord who saved her life. They met when she traveled to El Salvador to film a documentary and got caught in the middle of a nasty drug-and-guerrilla war. Now, back in the U.S., hunted by spooks and assassins, Lily has to trust Campos again. Except his name isnt Campos, and hes arousing a passion so hot its criminal. That is, if they can survive long enough to enjoy it
