

Be the Eve that Eve wasn't: An Intercession (The Bride Book 2)

The story of Adam and Eve in the garden of Eden is the most amazing story of how relationships went wrong and has some profound ideas for how men and women today can have fulfilling lives and relationships. It does not matter whether the story is true or even whether you believe in God or not. The spiritual principles work whether you believe in them or not. We all live in a spiritual world that affects our lives and our relationships, because the spiritual world is the real world even though we don't know it is there nor understand how it affects us. This book is about the spiritual world and how it operates and how to live in it. The spiritual world is His world which exists alongside the natural and material world. It is there so those who wish to can find it and live in it today. It is the Garden of Eden which still exists in the spiritual world, and we can go back and live in it today, no, not in the physical but in the spiritual. We can live happier healthier lives, have fulfilling relationships, raise secure children. It is very simple, for God's ways are simple. It is about how we think and how we speak and our heart attitudes. It is about Truth. It is about Freedom. It is about Love. It is about a God who loves us and wants the best for us even if we do not believe in Him.
