

## Dangerous Desire (Onyx Club Series Book 2)

My name is Brandon Edwards. Men like me don't come along often. I'm a gentleman, a lover, a protector, and a Dominant. I've never been the type who can or even wants to commit to a woman until I met Penny a couple of years ago. Since then, we've been in a committed relationship. I adore and cherish her. Penny has a darkness inside her, a yearning for extreme pain. But I don't want that for her, nor can I give her what she's so desperate for. Her craving has led her down risky paths, and it's my job to keep her off those now. There's a dangerous desire lurking within all of us. But when does wanting more become too much? \*This is a stand alone novel\*
