

Second Chances (A Nugget Romance Book 3)

Nugget, California, is a spot-in-the-road that's easy to miss. But this little mountain town knows how to give the struggling and discouraged many paths back to happiness and love. Reporter Harlee Roberts is used to finding the story, not living it. Unfortunately, losing her dream job and glittering city life means she needs a serious rewrite. Downtime at her parents' cabin in Nugget is a break she could really use. But the less her rugged woodworker neighbor has to say to her, the more Harlee's natural curiosity is piqued, and the more she wants exclusive access to his heart. Nugget's open spaces and mountain quiet are the perfect refuge for Colin Burke. All he wants is solitude, to mind his own business and for Harlee to mind hers. Still, her live-wire personality and take-no-prisoners commitment to those she cares about are a temptation pulling him way too close. Is their connection strong enough to survive his secrets and risk a future together? Praise For Stacy Finz: Finz is a unique new voice. Nugget, California is a charming small town filled with inventive characters and sweet romance.--Jill Shalvis, New York Times bestselling author of the Lucky Harbor Series Tender and touching, Stacy Finz writes romance with heart.--Marina Adair, #1 National bestselling author of Summer in Napa
