

The London Flat: Second Chances (The Irish Heart Series Book 2)

Elizabeth Lara has just finished her tour of Ireland. She's moved on to London, but the dashing Connor Bannon isn't far from her thoughts as she searches for Mags' lost love. From dinner with the Queen, to an unexpected encounter with someone from her past, to the tabloids London proves to be more excitement than she expected. Will she find Mags' Matthieu? Will Connor be able to win her back or will she choose her gorgeous friend Wes? Both men will take her to exclusively exotic locations and bring her face to face with royalty. Find out what happens next in Beth's life as she travels, experiences more romance, and finds her way.

ABOUT THE LONDON FLAT & THE IRISH COTTAGE The Irish Cottage was inspired by Jules' love for all things Irish. A love sparked in her teens by Riverdance; fanned into a flame when she befriended a group of Irish kids in France; and blazed into a wildfire by a visit to the Ireland. Earlier this year, an AncestryDNA test confirmed what Jules has suspected for a while: she's part Irish (one of her grandparents continues to be unknown but as luck would have it, the test divined that he must have been an Irish-Scot-Swede). The London Flat was inspired by Jules' time living in London. It's her very favorite city.

The London Flat: Second Chances is an international women's literary fiction romance novel with three books in the novel series. Other themes include: romance literary fiction, women's sagas, love stories, and second chances at life.
