

The Trouble With Temptation (Second Service, Book 3)

Morgan Kincaid is up to her ears in trouble. Its bad enough that she put her dreams on hold to open a nightclub with her brother, but when she tries to help with staffing problems, books that dont add up, and creepy patrons, he tells her to mind her own business. So, when a tempting stranger appears asking for a job, Morgan isnt sure if Mr. Tall, Dark and Handsome is her savior or more trouble than she can handle. Ex-Navy SEAL Ty Brannigan has spent his FBI career tracking down the Russian mob, and the trail has led him directly to Morgan Kincaids door. Even though the evidence is damning, Ty cant bring himself to believe that the eccentric beauty is in league with dangerous criminals. When the mafia targets Morgan, the pair has no choice but to set aside their suspicions and band together to bring down the criminal organization that would stop at nothing to keep them apart. *** Part romantic comedy, part thriller, and filled with plenty of intrigue, The Trouble With Temptation is the third novel in the Second Service contemporary romance series. ***
