

No Perfect Princess (Secrets of Stone Book 3)

The Secrets of Stone series can be read as stand-alone books, though continuity of secondary characters and storylines is best enjoyed when reading the series in order. No Perfect Princess is Book 3 in the series.

The Stones are back. Let the OMGs begin. Angel Payne and Victoria Blues explosive series continues. Are you ready for Margaux and Michaels story? What came first? The princess or the shoes? And does it really matter? My name is Margaux Asher. Don't be afraid to ask how it's spelled though I may enlighten you, anyway. Yes, I'm that Margaux Asher. The attitude icon. The bitch in the latest heels. The princess of the PR game. Just don't bring up the queen. Mommie and I aren't on comfortable terms. Last winter, I learned a secret that Andrea Asher has hidden from me since my birth--by another woman. And my real father? Josiah Stone, one of the world's richest men. Dream come true, right? There's a lot of baggage attached to that answer. And now, Michael Pearson wants to help me open it. Michael. My six-foot-three, golden god of a dilemma. He's patient, indulgent--and don't get me started on his passion--but he wants too much. He wants all the secrets. What would he say if he knew my birthright was only the start of my life's mess? What would he do if he learns... I'm no perfect princess? Someday, my princess will come...
