

Secrets & Surrender 1

She shouldve walked away. She shouldve kept her secrets. But she didnt. And now, they both have to pay the price. Keeping secrets was Mandi Ruiz's specialty. Guarding her heart and staying hidden in the shadows was all she'd ever known. But when Nic Marcelli comes crashing into her life, Mandi's life is turned upside down. He's everything she can't resist, but should. Cocky, handsome, and downright irresistible, Nic comes from a lifestyle Mandi can't even begin to fathom: designer clothes, luxury cars, and wealth at his fingertips. His world is one she could never understand--one that would never accept someone like her. Lying to herself, Mandi swears that it's just a fling until graduation--a way to kill time. But with someone like Nic, graduation is only the beginning. This story contains cliffhangers and unfolds over three volumes.
