

Seducing Samantha (Ashland Pride One)

Elementary school music teacher Samantha Thomas moved to Ashland to start her life over. What she didn't expect was for her ex-husband to follow her to Ashland to take over the vacant principal job at her school. After some clever plotting by one of her students, she meets the gorgeous Grant Fallon and accepts a date with him. On the way home, her car gets stuck and she finds herself face to face with another gorgeous man asking her for a date: Grant's brother, Aaron. How will Sam decide between Grant and Aaron, when both men fill her with desire? Mountain lions Grant and Aaron Fallon grew up believing that love was not meant for their kind. When their pride left their former home in Pennsylvania and settled in Ashland, Indiana, they were suddenly able to live their lives however they wanted, without the threat of the female lions holding them back. When they realize that they both want Samantha, they decide to follow their instincts and share her. Can two brothers share a mate? Will Samantha want to be shared? This book contains m/f/m interaction between two mountain lion males who won't let anyone harm their mate and a woman with a heavy heart. Expect plenty of hot sex, a little danger, handcuffs, shifting, and liberal use of the word mine.
