

Temporarily Yours (Shillings Agency)

This marines the perfect hoax... if she doesnt fall for him first. Stats whiz Kayla Moriarity knows her way around numbers and algorithms. Men, on the other hand, are unsolvable equations. Now Kaylas en route to her sisters wedding - without the fictional boyfriend she invented for her family. Fortunately, her plane comes complete with complimentary cocktails and a ridiculously hot ex-marine in the seat beside her. And thats all it takes for Kaylas inhibitions to go sailing out the airlock. Cooper Shillings has soft spot for people in trouble, but he certainly wasnt expecting to land in it himself - and definitely not while getting naughty mid-air with a sexy southern belle. When he hears Kaylas predicament, however, he offers his services as a stand-in boyfriend. After all, hes heading overseas soon... and how could he refuse a little no-strings wickedness? Its the perfect plan. And all Kayla has to do is ensure her family falls for the ultimate bluff, without falling for it - and Cooper - in the process...
