

## Seeking Catherine (historical romance novella set in Tudor England)

Bargained away to a brothel, she is beyond hope, beyond rescue but not beyond the reach of the one man who can save her. He's hurt her in the past. Can she trust her heart to him again? During an age of chivalry they were sweethearts, planning a future together in England. Headstrong and proud, Catherine Sudfield remembers everything about Stefan Boswell. And she loved him in spite of his poverty and lack of nobility. The restless Gypsy rogues' powerful good looks and promises of love were more than enough to satisfy her youthful dreams. But then Stefan left without a word, and Catherine's uncle bargained her off to a brothel. Sometimes, bonds between a man and a woman, however young, are meant to last a lifetime. But will it take more than a dose of Gypsy magic to chase away the doubts between two guarded lovers? **SEEKING CATHERINE** is a short novella (12,000 words) The story is a sweet romance. (no sex), but with sensual content.
