

## SEO for Service Companies

What if your business could be found anywhere, anytime from any device; desktop computer, laptop, tablet or Smartphone? With good SEO, it can. The average service company has more than 100,000 webpages competing for Page One of Google, Bing and Yahoo. Filled with expert advice accompanied by specific examples for a variety of commercial, residential and auto service industries, this book will show you how to even the odds and even beat them.
