

## Sex, Lies & Sweet Tea (Sex and Lies Book 1)

Hotter than hell and half of Alabama, FBI Agent, Mac Callahan is thirsty for everything except love. Coming home to bust a white-collar crime ring, Mac intends to execute his usual practice with work and women get in, get it on and get out. Instead, he finds himself unexpectedly drawn to the legacy of his family, his plantation, and the charms of a Southern girl. Samantha Peterson possesses everything he needs in a woman, including the evidence to wrap his case. As the investigation heats up, so does their passion and a dangerous game ignites. But, then again, everything's hotter in the South.
