

Shadow Of Death - Blood Bound Series Book 8: Blood Bound Series

Within the heart of the Demon War nothing can be taken for granted as it sends the destinies of those involved into a most dangerous and seductive form of chaos. One man finds out that strangers can collide in the dark for a moment of blinding passion, only to be separated by the cold hand of fate without even a name to help in his hunt for her. Another man will find that when the Shadow of Deth becomes a stalker, the most seductive of enemies can quickly become his strongest ally even if its against his will. And can the heart of one soul mate keep the two men who love her from killing each other?
