

Shadow of Perception (Book 2 C.O.R.E. Shadow Trilogy) (CORE Shadow Trilogy)

What happens when negligent plastic surgeons get a taste of their own medicine?

Chicago investigative reporter, Eden Risk, receives an unmarked envelope containing a postcard ordering her to watch the enclosed DVD or someone else dies. No police. After Eden watches the DVD, a gruesome, horrifying surgery, she turns to the private criminal investigation agency, CORE, for help. Only she hadn't expected that help to come with a catch. Her former lover, Hudson Patterson, has been assigned to the case. Hudson would rather have another CORE agent handle the investigation. Two years ago, he'd screwed things up with Eden. And as more DVDs arrive, Eden and Hudson find themselves not only knee-deep in a twisted investigation, but forced to deal with their past, and the love they tried to deny.
