

Shadows of the Past

A STAND ALONE NOVEL BY NEW YORK TIMES BESTSELLING AUTHORS HM WARD & STACEY MOSTELLER Ive been running for four years, trapped in a past I cant forget. Im unable to move forward and refuse to go back. The only way to dissolve the shadows is to begin again. So I try. Tonight will be different, it has to be. Coaxed into a tight dress thats guaranteed to hit the floor after I find the right guy, I head out. My flatmate takes me to this new London pub that looks more like the New York clubs Im used to, but it works. I can find someone to ease the pain for a little bit, even if its only one night. When Hot British Guy spots me, theres an instant attraction. Theres something about him besides the dark hair and beautiful body. Hes pure eye-candy, but his sharp tongue and sad eyes make me wonder. Something happened to him, I can tell. Hes lived through Hell and showed up here tonight to forget. But Im not supposed to ask. This is a one-time thing, a hot night filled with lust that erases everything. I can do this. Im tired of crying, of feeling numb. This out-of-character conquest feels weird, but I go with it--until he throws me out. Shocked, I leave and cement my former hypothesis--guys suck. The next day, hes there looking all sexy. Brilliant blue eyes blazing, his dark hair falls in his eyes and a wicked grin twists his perfect lips. God help me. Genre: New Adult Romance Type: Novel (349 pgs/ stand alone) With: Ferro Cameo
