

Shadows Soul ~ The Kyn Kronicles ~ Book 2 ~ Large Print (Volume 2)

All she had to do was keep one man safe Raine McCord has no problem taking down the monsters of the world, its one of the reasons shes so good at her job. So playing bodyguard to Cheveyo, head Magi of the Northwest, as he consults with the Southwest Kyn should be an easy assignment. Unfortunately, the simple task turns into a nightmare when Cheveyo is kidnapped and Raine is left for dead by one of the Kyns most feared beings, a Soul Stealer. The Stealers attack leaves lasting wounds, undermining Raines confidence as a warrior and damaging her unruly magic. Her ability to heal her mind and spirit hinges on the one man who can touch her soul, Gavin Durand. Compelled to face the emotions raging between them, they must embrace not only their stormy relationship but their evolving magic to escape the twisted threads of murder and betrayal to find Cheveyo. As Raine and Gavin come together and begin to unravel the complex web of secrets and hidden vendettas haunting the Southwest Kyn, they discover unsettling new truths that threaten their very existence.
