

Shattered Edge (The Edge Series)

She suggested six months but he wanted a lifetime... Justin Middleton, hot sexy orthopedic surgeon is known for one thing...breaking womens hearts. He built quite a reputation for himself and anyone can tell you about him. But now Justin has only one thing on his mind and thats winning Terri Mitchells heart. Thats all the time shes given him--six short months. If he cant do it by then, theyll go their separate ways. Hes convinced that shes the one for him and will go to any lengths to prove it to her. But the one thing he must do is win her trust...and thats something he destroyed when he cheated on her before. Terri Mitchell knows shes lost her mind when she even suggested this six month harebrained scheme. Her broken heart is finally on the mend from her past encounter with Justin. All this time shes convinced herself that hes nothing but a cheating, heartbreaking ass, but when he shows up at her house late one night looking deliciously sexy and irresistible, her iron will to fight him vanishes. Before she knows it, and as much as she tries to resist him, she finds herself in bed with him and falling down a road of passion filled nights. But Terris not alone because for the first time in his life, Justin has met his match. Terri is the one that has turned all the tables. Within weeks, both of them find themselves deeply involved, but when Terris brother, Preston, shows up, mysterious things begin to happen, turning their blissful world into something dark, twisted and dangerous. This is an Adult Contemporary Romance that contains mature content not intended for younger readers. Shattered Edge, while part of the Edge Series, is a stand alone Edge Novel.
