

Bellissimo Lotta (Beautiful Struggle): Companion Novel to Bellissimo Fortuna (The Family Trilogy Book 2)

The idea of forever terrifies Bianca Agosto. Abhorring love; she is surrounded by it on a daily basis. The Mob Princess is doted on, adored by all, and loved by one. Struggling with her feelings against love, she falls. Hard. Dakota Hyatt, the boy who was untainted by the life in which Bianca grew up, and her brothers best friend. His own tragedy in life makes him hold on to the things that matter. He may not understand what the life means for Bianca, but he makes sure to be her safe haven, her soft landing, the one place she can truly be herself. Succumbing to love isn't easy but proves to be worth every hurdle; but one lie, one mistake, one indiscretion destroys it all. The boy who seemed so untouched by the life might not be as removed as they all once believed. **NOTE due to adult language and situations this book is not recommended for audiences under the age of 18**
