

Claimed by the Werebear Billionaire: A BBW Bear Shifter Paranormal Romance (Rocky Mountain Shifters Book 1)

Emily Carter is a beautiful, curvy, fiercely independent young woman with an untamed heart and a thirst for adventure. Searching for freedom and a fresh start, she left her past and her ex-boyfriend behind and accepted a new job in the Rocky Mountains. Jackson Halloran is the ripped, ridiculously good-looking billionaire CEO of Denver's most prominent software company. But he has a secret: He's a bear shifter. He scours the city streets, protecting innocent people to atone for his haunted past and the family he couldn't save. Getting tangled up with a sexy as hell bear shifter wasn't the adventure that Emily had in mind. But when Emily's safety is threatened by a pair of devious cougar shifters, Jackson is compelled to protect her, whether she wants him to or not. After all, she's his destined mate. Emily can't deny the primal attraction that draws her to him, but she won't submit without a fight. ** This 12,000 word paranormal romance is a short standalone novella with an HEA ending and NO CLIFFHANGER. (Yay!) It contains steamy sex scenes and graphic descriptive language. For mature readers only.**
