

Shiftr: Swipe Left for Love (Kristin) BBW Tiger Shifter Romance (Hope Valley BBW Dating App Romance Book 2)

The second book in the new Hope Valley BBW dating app romance series. What if your fated mate was just an app swipe away? To the outside world, Kristin Pasternak is a feisty, statuesque, auburn-haired journalist. Only those close to her know that she suffers from PCOS, a condition that has left her unhappy with her body, and scared that she won't be able to have children. When best friends Dina and Lauren introduce her to Shiftr, the secret dating app for curvy girls and shape-shifting men, she thinks that none of the guys will want her - especially smoking-hot tiger shifter, Roman, whose profile says that he definitely wants cubs. But, according to the app, Kristin and Roman are a 100% match, and when Roman scents Kristin for the first time, he seems to know her body better than she knows it herself. Will the sexy tiger be able to convince Kristin to let go of her insecurities and abandon herself to the crazy attraction that sizzles between them? This is a short, sweet, steamy read, perfect for a lunch break, bath time, or a little dose of me-time, wherever you are. HEA and no cliffhanger!
