

Shoe Strings

After being hounded by her estranged father just as her boutique shoe business is taking off, Atlanta Angelita Barros heads for the mountains of North Carolina where she couldn't be a bigger fish out of water. The cabin she rents is perfect, but one look at the owners son and Angelita's in lust big time. She finds resisting the charming Jesse Bloodworth as difficult as maneuvering small town life in her custom made stilettos. Jesse has spent years rebuilding his relationship with his teenaged son and ex-wife after running out on them eleven years ago. But his dad's not so quick to forgive and forget. The water under the bridge becomes mighty choppy when beautiful Angelita walks into their lives. Jesse's ex, Kerri Ann, is a far cry from where she thought she'd be in life. Even before she got pregnant with Ty, things between her and Jesse had faltered, and there was only one person to blame: Bryce Jenson. Kerri Ann never expected her long-ago crush to settle back into Sequoyah Falls to practice law. Hell, no one did. Bryce had his reasons for returning home and Kerri Ann was at the very top. They seem destined to remain just friends, until Angelita comes to town and stirs everything up. As Angelita and Jesse embark on a relationship, her father's demands become threats and she's forced back to Atlanta. Jesse's attempt to save her uncovers more of her past than he bargained for. Will Angelita's prince charming come to her rescue or does Jesse's love come with Shoe Strings attached?
