

Shoot to Thrill (Berkley Sensation)

By the multi-award-winning New York Times and USA Today bestselling author Nina Bruhns, book 1 of the Passion for Danger trilogy is filled with searing emotions and explosive action! Overview of SHOOT TO THRILL: A sexy black-ops hero and a beautiful ER nurse must fight for their lives--and for a love they never thought possible... Do this last mission and well tear up your contract. Kick Jackson, former CIA spy, has heard that one before. But this time, saying no isn't an option. Only he can identify a dangerous terrorist and stop a bloodbath--and Kick's conscience won't let him walk away. Unfortunately, his enemies are bent on making sure he never walks again, sending him on the run--and straight into the arms of the one woman with the power to save him. Nurse Rainie Martin wants to run like hell when Kick kidnaps her, but how can she abandon a wounded hero? Thrown unwittingly into an international game of deadly stakes, Rainie soon realizes the drop-dead gorgeous rogue operator has sent her well-ordered life spinning out of control. To survive she'll have to face her worst fears ...including a lethal attraction to her dangerous captor. From the glitter of New York to the desolate sands of the Sahara, the unlikely couple must battle to stay alive, while finding the courage to trust again--and something even scarier: to open their hearts to love...
