

The Player: A Sexy New Adult Romance (The Trouble Series Book 1)

She wasn't meant to run into my path. I'm an out-on-probation murderer (yes), and I enjoy sex as much as the next hot-blooded person. College has just started for me, and I'm trying to start life afresh, with all the p**sy I can get and maybe, just maybe, start a proper career. On the very first day of college, I run into Amelia Callahan. The instant I set eyes on her, I knew I wanted her. And the seasoned pro of f**king that I am, I managed to get her too. Her body anyway. Mine to do with as I pleased. But she has also hit chords in me that no other woman in the past was quite able to. I don't even know what to call how I feel about her; I don't want to call it something so mundane as love at first sight, but I do know it was something at first sight and something even stranger at first f**k. Before I can make sense of whatever I'm starting with her, however, I've got unfinished business. She cannot know what I'm doing, and why. Why I need to do it. It might take everything out of me, but I will finish what I need to, and come back to her.
