

## Should Christians be Torah Observant?

Most believers will agree that we are living in the end times. Because of this, its time to make sure we are right with God. And being right with Him means we need to ask ourselves some tough questions: Did Yahweh really hand down two separate rules - one set for Jews and one for Gentiles? Does God approve of the fact that we changed His Messiahs name, birthday, and the dates of His death and resurrection? Is He pleased that we are ignoring His commanded seventh day Sabbath and the Biblical Feasts which are not only His appointed times but which all foreshadow Jesus - who has so far only fulfilled the first four of the seven? If, as a believer in Christ, I am a part of Israel, shouldnt I be keeping Yahwehs forever commands? The answer will surprise you! (Este titulo tambien esta disponible en espanol.
